WHO WE ACT FOR

BCB acts on your behalf when we advise on and arrange insurance for you. When you ask us to recommend an insurance policy for you, we will only consider the policies offered by the insurers we deal with.

HOW WE LOOK AFTER YOUR INSURANCE NEEDS

We offer a range of services including:

- Reviewing, comparing and advising you on your insurance needs;
- Arranging, renewing and updating for risk variations, insurance contracts on your behalf; and
- Assisting with administration and advocating in your interests for settlement of insurance claims.

HOW WE SEEK QUOTATIONS

BCB, with support from Your Manager, collates all risk information (building construction and special features, claims history, past policy conditions and any additional relevant risk information) required to be disclosed to insurers. We approach suitable insurers and underwriting agencies to quote. BCB liaises with the underwriters and negotiates to procure the most competitive premium and policy conditions that the underwriters can offer.

BCB only deals with reputable insurers and underwriting agencies that have experience in the strata insurance market and offer reliable and market-competitive policy coverage. BCB reviews the quotations with a view to the sustainability and likely performance, pertaining to the needs of the insured property and the strata community.

NEW BUSINESS

If you need cover for a risk or property that is not insured, we can assess your needs and make appropriate insurance arrangements. We can obtain quotations for your consideration, and you can instruct Your Manager to arrange a policy for you.

RENEWALS

We manage the renewal of your insurance. We liaise with your insurer and will inform you when your insurance is due for renewal. To renew the insurance contract on your behalf, you must provide us with written instructions to do so or pay the premium and other charges before the date shown on the invoice.

If you either arranged or renewed insurance directly with an insurer or through another broker, we will not be responsible for notifying you of expiry or arranging renewal unless you ask us to do so.

VARIATIONS

You should carefully monitor and review your insurance to make sure it is adequate for your building, contents and other assets. If you wish to vary any cover, for example increasing the sum insured or adding other property, please provide us with written details of the changes you require. We will arrange the variation with the insurer and provide you with written confirmation.

CLAIMS

We will receive your claims notifications and liaise with the insurer. We will negotiate settlements and lodge appeals on your behalf, if appropriate. We will provide our claims handling and advocacy services for the period of our appointment.

CANCELLATION

We cannot cancel an insurance contract without written instructions from a person(s) authorised to represent each of the parties who are named as insureds in the insurance contract.

If you cancel an insurance contract before expiry of the period of insurance, we will refund the premium we receive from your insurer, in line with policy conditions. The insurer may charge a short-term penalty premium for the time on risk. The fees charged by us to set up the policy will not be refunded unless the policy is cancelled in the insurer's stated cooling-off period. If the insurer cancels an insurance contract, we will inform you as soon as possible.

PAYMENTS

Payment for the services we provide are payable directly to BCB. For each insurance product, the insurer will charge a premium that includes any relevant, taxes, charges and levies. BCB often receives a payment based on a percentage of this premium (excluding relevant taxes, charges and levies). This is known as commission, which is paid to BCB by the insurer.

The commission that BCB receives is between 0% and 27% of the premium (excluding taxes, charges and levies) depending on the product. You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay BCB within the time set out on the invoice.

BCB often charges a broker fee in addition to the remuneration received from the insurer. This fee appears separately on your tax invoice. If the insurer charges a premium and no commission is allocated, BCB may increase its broker fee either by the amount of commission that would normally apply to this insurance or agree a specific fee with you according to the service to be provided.

Where a third party has referred you to us, such as a strata manager acting as our authorised representative, we may either share part of our commission with them - usually 50% to 75%, but in specific circumstances 100% - or pay them a fee for the referral, usually up to 50%, but in specific circumstances up to 100%. The commission or fee applies to each policy issued or renewed.

When you pay us your premium, it will be banked into BCB's trust account. BCB will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with BCB's arrangement with the insurer. BCB will either earn interest on the premium while it is in their trust account or BCB may invest the premium and earn a return. BCB will retain any interest or return on investment earned on the premium.

If you require, BCB can arrange a premium funding quote enabling you to pay your premiums by monthly instalments. Premium funders charge interest. BCB may receive a commission from the premium funder for the introduction, between 1% and 2% of the premium payable (excluding taxes, charges and levies). BCB may also receive, from time to time, certain soft dollar (non-monetary) benefits. BCB will advise you of the basis and amount of any such payment if you ask.

You may request details of our commission and other benefits within a reasonable time after you are given this FSG and before we provide any services to you.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice

Our employees are paid a salary and may earn a bonus or incentives based on performance towards a broad range of the company's goals, including financial targets.

PROFESSIONAL INDEMNITY POLICY

We maintain a Professional Indemnity Policy (PI Policy) which satisfies the requirements for compensation arrangements under Section 912B of the Corporations Act 2001 (Cth).

PRODUCT DISCLOSURE STATEMENT AND TARGET MARKET DETERMINATION

To assist you in making an informed decision, Your Manager will provide a Product Disclosure Statement (PDS) and any Target Market Determination (TMD) for the product you are considering. You should carefully read the PDS and any TMD to decide if the product features suit your objectives, financial situation and needs before making a decision about the insurance.
