The amounts stated in this policy include GST unless stated otherwise.

## References to legislation

Legislation referenced in this policy includes subsequent legislation. Any term used in this policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

## When there is more than one insured

When there is more than one *insured* on *your* policy, *we* may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. *We* may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid. Where a payment is made to one *insured* under this policy, *we* have no further obligations to any other *insured* regarding that payment.

## About your policy

### Interests in the policy

*You must not transfer any interests in your policy without our written consent.*

*Any person whose interests you've told us about and we've noted on your Certificate of Insurance is bound by the terms of your policy in relation to any claim they make.*

*If you have used all or part of your contents as security for a loan from a lender, we may pay the lender all or part of the payment made when settling your claim. For more information, see **Lender's rights**.*

### Cooling-off period

*If you change your mind about your policy and haven't made a claim, you can cancel it within 21 days of the start or renewal date and we'll give you a full refund. If you cancel your policy in these circumstances, you will have no cover under the policy.*

*You can also cancel your policy outside the cooling-off period, see **Cancelling your policy**.*

## Tell us when these things change

You must tell us as soon as reasonably possible if any of the following information on your *Certificate of Insurance* is incorrect or has changed.

Things you must tell us	If you are a renter	If you are a strata lot owner
You move into a new home	✓	✓
Your home will be <i>unoccupied</i> for any period longer than 90 consecutive days	✓	✓
The occupancy of your home changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests (including if you sub-let).	✓	✓
Someone else moves in so that there are three or more unrelated people living at the <i>property address</i>	✓	✗
You start operating a business or generating a regular income from the <i>property address</i> other than a home office taking up less than 20% of the <i>home</i>	✓	✓
<b>Note:</b> Doing office work in a home office, including working from home for your employer is not considered to be operating a business		
You're planning renovations, alterations, additions or repairs at the <i>property address</i> with a commercial value greater than \$20,000	✗	✓
For example, you're planning on installing a new kitchen.		
You want to increase your sum(s) insured	✓	✓
You want to add <i>Specified Contents</i> or <i>Portable Contents</i> or increase any specified limit	✓	✓

If you don't tell us, we may reduce or refuse to pay a claim.

When you tell us about something that has changed or request a change to your policy, we will assess the change to the risk in accordance with our underwriting rules and processes.

## About your policy

### Changes to your cover

If you request any change to cover (e.g. *you* choose to add an optional cover or *you* increase *your* sum(s) insured) then, if we agree to the change, we will issue a new *Certificate of Insurance* and ask *you* for any additional premium. If an additional premium is required, the change will only be effective when:

- if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- *you* have paid the additional premium by the due date we give *you*.

If *you* don't pay the additional premium by the due date then we will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement *Certificate of Insurance*.

If *you* request any change to cover and we don't agree to the change, then we will let *you* know and the policy will continue unchanged.

### Changes to your circumstances

If *you tell us* about a change in *your* insured property's address then we will consider it under *our* underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change then we will cancel *your* policy and refund the unused portion of the premium.
- if we agree to the change, we will issue a new *Certificate of Insurance* and ask *you* for any additional premium, inform *you* of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:
  - if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
  - *you* have paid the additional premium by the due date we give *you*.

Contact **1300 464 820** to discuss potential changes in circumstances when *you* know the details of the timing and nature of the changes before they happen, to find out in advance whether we will be able to continue to insure *your* contents.

Changes of these kinds sometimes alter the risk to *us* in such a significant way that it is no longer within *our* underwriting rules, and we would not have issued the policy if the request had been made before the start of the policy.

## Changes to your circumstances (continued..)

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium you have already paid on your policy; and
- the remaining period of insurance.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your policy.

If relevant, please see our Financial Hardship guide available at [chu.com.au/resource/financial-hardship/](http://chu.com.au/resource/financial-hardship/)

If you tell us about any of the following changes then we will cancel your policy and refund any unused portion of the premium:

- you start operating a business or generating a regular income from the *property address* other than a home office taking up less than 20% of the home;
- the occupancy of your home changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests; or
- you are a **renter** and someone else moves in so that there are three or more unrelated people living at the *property address*.

Doing office work in a home office, including working from home for your employer, is not considered to be operating a business.

If you tell us about any other change, we will consider it under our underwriting rules and processes at the time.

## Your contents sums insured

It's important to insure for the right contents sum insured because, if you underinsure, it could be financially devastating. For example, if your contents were damaged significantly in a fire, and your sum insured wasn't enough to fully replace your contents, you'd have to pay the shortfall yourself.

Your contents sum insured, should be the cost to replace all your contents at today's prices so that you have adequate cover in the event of a total loss.

This is sometimes known as a 'new for old' replacement policy because, if your contents are stolen or damaged and unable to be repaired, your policy will cover the purchase of a new equivalent item, where possible.

The amount you select is called your 'contents sum insured' – it'll be shown on your *Certificate of Insurance*.

**Note:** If you are:

- a **strata lot owner** and you have fixtures which the strata body corporate is not required by law or its constitution to insure; or
- a **renter** and you have fixtures for which you are responsible under your lease agreement that complies with the relevant residential tenancy law and/or which are installed by you for your own use,

remember to include the new replacement value of these fixtures in your contents sum insured.

## Changing your contents sum insured

You should consider updating your contents sum insured if:

- you determine you are underinsured after reassessing the value of your contents while making an inventory of your possessions;
- you buy items that increase the value of your contents; or

If you're a **strata lot owner**, you should also consider changing your contents sum insured when you make any changes to fixtures which the strata body corporate is not required by law or its constitution to insure, for example, if you install a new kitchen.

**Note:** Limits apply to some contents items. See **Contents with limits**.

- you buy jewellery, watches, artworks, rugs or antiques, or you buy or add to a collection worth more than the limit set out in **Contents with limits**.

Whilst you should take care not to be underinsured, you should also consider reducing your contents sum insured if you sell or dispose of items without replacing them.

## Contents sum insured adjustment feature

*We'll increase your sum insured by 0.5% for each whole calendar month until you next renew your policy to help with increases in replacement costs.*

*We will not increase your sum insured for any *Specified Contents* or *Portable Contents* covered under your policy.*

For an example of how the contents sum insured adjustment feature works in practice, see our Contents Insurance Additional Information Guide at [chu.com.au/important-documents/](http://chu.com.au/important-documents/) or call us on **1300 464 820** for a copy at no charge by us.

## Your contents sum insured at renewal

Normally, before your policy ends each year, we'll send a renewal invitation and let you know the renewal premium. We may increase your sum insured, to allow for increases in replacement costs. This may not be the same as  $12 \times 0.5\%$  under the **Contents sum insured adjustment feature**.

*You'll still need to check your sum insured to make sure the amount is appropriate and that you're not underinsured.*

*We will not automatically adjust the sum(s) insured for any *Specified Contents* or *Portable Contents* covered under your policy.*

## Over-insuring

If you over-insure your contents and they are a *total loss*, we will only pay the reasonable cost to replace them to a condition substantially the same as, but not better than, when new.

# Your contents cover

## What you're covered for

*We'll cover you:*

- for *damage to your contents* caused by the Insured Events listed in this PDS;
- under Standard Features;
- under the Accidental Damage option and/or the Portable Contents option if *you've chosen to add it to your policy* and it's shown on your *Certificate of Insurance*; and
- for legal liability caused by an *occurrence* during the *period of insurance* anywhere in the world.

See **What do we mean by contents?** in Definitions

There are situations *you're not covered for*. These are set out throughout the PDS. Also, see **General Exclusions**.

## Contents with limits

Some *contents* items have standard policy limits. If *you make a claim for loss of or damage to one of the items in the table on the next page*, we won't pay more than the limit shown unless:

- *you have told us about the item and the cost to replace it* (see **Can the limit be increased?** in the table on the next page); and
- *we have agreed to cover the item for more than the standard policy limit*; and
- it is shown as a *Specified Contents* item on your *Certificate of Insurance*.

If *you have an item that could fall under more than one category in the table on the next page*, we will treat that item as though it is in the category with the lowest applicable limit.

For example, jewellery, watches and collections are not considered *antiques* under this policy, even if they are over 100 years old.

The lower limits in the table for *jewellery* and *watches* and *collections* apply to these items, not the *antiques* limit.

If the standard policy limit will not be enough to cover the repair or replacement of a particular item, *you should tell us about the item and the cost to replace it* so that we can consider whether to agree to cover it for more than the standard policy limit.

## Contents with limits (continued...)

Item	Standard policy limit	Can the limit be increased?
Jewellery and watches	\$2,500 per item, set or pair	✓
Collections	\$5,000 per collection	✓
Artworks, rugs and <i>antiques</i>	\$20,000 per item, set or pair	✓
<b>Note:</b> See the definitions of 'artworks' and 'antiques' as they have special meanings in this PDS.		
Cash, vouchers, coupons, gift cards, money orders, negotiable financial documents, bullion, ingots, uncut and/or unset gemstones	\$800 in total	✗
Items used by <i>you</i> or <i>your family</i> for earning any income (but not including items ordinarily used in a home office)	\$5,000 in total	✗
Accessories, appliances or spare parts for motor vehicles, caravans, trailers and watercraft (but there is no cover when they are in, on or attached to any of them)	\$1,250 in total	✗
Model aircraft or drones	\$1,500 per model aircraft or drone	✗
<b>Note:</b> Other limitations and exclusions apply to <i>model aircraft and drones</i> relating to size, weight and usage. See <b>Definitions</b> and <b>General Exclusions</b> .		
Food and prescribed medicines that must be refrigerated or frozen	\$500 in total, once in a <i>period of insurance</i>	✗

## The cover

### Specified Contents

*Specified Contents* are items we've agreed to cover for more than the standard policy limits that would otherwise apply.

The most we'll pay for your *Specified Contents* items is the Specified item limit shown on your *Certificate of Insurance*.

### Where are your contents covered?

Your contents are usually only covered at your *property address*. Limits and exclusions apply to *contents* and *Portable Contents* wherever they're covered, as set out throughout the PDS.

There are some specific limits and exclusions for *contents* in the *open air* at the *property address* under the Insured Events: **Theft or burglary** and **Storm, storm surge, rain, hail or flood**.

There is some limited cover away from the *property address* in particular situations where you move to a new permanent residence. Please see details in the Standard Features **Contents in transit to your new home** and **Cover when you move to your new home**.

If you have Portable Contents shown on your *Certificate of Insurance*, they are generally covered anywhere in Australia and New Zealand, and anywhere in the world for up to 90 days. There are some specific exclusions that apply to *Portable Contents*, including when they are in transit to a new permanent residence. See **What you're not covered for** under the Portable Contents option.

## Where are your contents covered? (continued...)

The table below is a quick guide on where certain *contents* items are covered:

Location	Contents	Portable Contents (optional)	
At the property address	Inside your home	✓	✓
	In the open air	✓	✓
Away from the property address	In transit to your new home	✓	✓
	At your new home when you move	✓	✓
	Anywhere in Australia and New Zealand and for up to 90 consecutive days anywhere else in the world	✗	✓

## Standard Features

The following Standard Features apply when *your* claim for an *incident* covered by *your* policy is accepted and they are directly connected to that *incident*. These Standard Features are payable as part of *your* contents sum insured, unless otherwise indicated. There is no excess payable for these Standard Features as *you* will already be paying the applicable excess for the *incident*.

**Temporary accommodation costs**

If you're a **strata lot owner** the most we will pay in total under this Standard Feature is the greater of:

- 20% of your contents sum insured; or
- \$25,000

If you're a **renter**, the most we will pay in total under this Standard Feature is 20% of your contents sum insured.

This Standard Feature is payable in addition to your contents sum insured.

**Environmental upgrades**

pay up to \$500 towards the additional cost of replacing a fridge, freezer, washing machine or dishwasher with one that has similar features and a better environmental rating if:

- your claim has been accepted and the item is to be replaced; and
- you'd like a more environmentally friendly appliance

For example, if your claim to replace your two star energy-rated washing machine is accepted, we'll pay up to an additional \$500 to replace it with a similar one with a better energy rating.

<b>Environmental upgrades</b> (continued...)	<p>The most we'll pay is \$2,500 in total per <i>period of insurance</i>.</p> <p>This Standard Feature is payable in addition to <i>your</i> contents sum insured.</p>	
 <b>Data or software</b>	<p>pay up to \$1,000 to recover or replace data or software stored on a device if it was lost because the device was <i>damaged</i> as a result of the <i>incident</i> at the <i>property address</i></p>	<p>if the data or software:</p> <ul style="list-style-type: none"><li>• was illegally acquired; or</li><li>• can be recovered or replaced free of charge; or</li><li>• is used by <i>you</i> or <i>your family</i> for earning any income</li></ul> <p><b>Note:</b> If <i>you</i> are using <i>your office equipment</i> while <i>you're</i> working from home, we do not consider this to be using the data or software to earn an income.</p>

We will calculate the amount payable based on the number of days <i>your home</i> is <i>unliveable</i>.</p>	

Unlike the Standard Features in the previous table, you can make a claim for the following Standard Features even if the claim is not connected to an *incident* for which a claim has already been accepted. They are payable as part of *your* contents sum insured. The loss or damage must occur during the *period of insurance*.

In some cases, you will have to pay an excess when we have agreed to pay one or more of these Standard Features. This is indicated in the table below. Where we state that no excess is payable, this relates only to the Standard Feature. If you are also claiming for damage where an excess is payable, then you will still need to pay an excess for that claim.

For example, if *your* food or prescribed medicines in *your* fridge or freezer are spoiled due to a failure of electricity supply and they're the only things that were affected, you will not have to pay an excess under the Standard Feature **Food**.

**Spoilage.** If, however, *your* food or prescribed medicines were spoiled due to *your* fridge or freezer motor burning out by electric current and a claim for the Insured Event **Burnout of electric motors** has been accepted, then you will have to pay an excess for that claim.

## Options you can add to your policy

### Accidental Damage option

If we agree, you can choose to add the Accidental Damage option for an additional premium. This cover applies to *accidental loss or damage* occurring at the *property address* during the *period of insurance*.

Whether we agree to provide the Accidental Damage option will depend on *our* underwriting rules and processes at the time. If the option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

If you choose to add the option during the *period of insurance*, it will only apply:

- once you've paid us the additional premium or, if you're paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

This covers you for things like where *your friend's child* who's visiting *accidentally* smashes *your television screen* with a *ball*.

### What you're covered for

We'll cover:

- *accidental damage to your contents*, including *damage caused by power surge* confirmed by an appropriately qualified contractor; and
- *accidental loss of your contents* that can't be recovered after you have taken reasonable steps to try to find or recover them.

If you think you may have a claim for *power surge*, please call us on **1300 464 820** before you contact anyone to make repairs.

You are also covered for some things that wouldn't be covered under the following Insured Events: **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**. See these Insured Events for details of this additional cover.

## The cover

### What you're not covered for

We will not cover *damage* caused by anything excluded under any section of *your* policy, including:

- anything in the '**We won't cover**' column of the Insured Events table, except where specifically noted as being covered under the Accidental Damage option. See the Insured Events **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**;
- anything in the '**But not...**' column of the Standard Features tables; and
- the **General Exclusions**

We will not cover *damage* to any of the following items while being used:

- power-driven items;
- sporting equipment*;
- tools and equipment used by *you* or *your family* for earning any income;
- bicycles*;
- personal mobility devices*;
- watercraft*; and
- model aircraft* or *drones*.

### Portable Contents option

The Portable Contents option covers personal items that are designed to be used, worn or carried away from home. Under this option, we only cover items that:

- fit into a Portable Contents category. See the following **Category** list; and
- would be covered as *contents*. See **What do we mean by contents?** in Definitions.

You can choose to add the Portable Contents option for an additional premium if:

- the property address* is the place of *your* permanent residence; and
- we* have agreed to provide the Portable Contents option.

Whether *we* agree to provide the option will depend on *our* underwriting rules and processes at the time. If the Portable Contents option has been added to *your* policy, it will be shown on *your* *Certificate of Insurance*.

The Portable Contents option is not available for holiday homes.

## Portable Contents option (continued...)

If you choose to add the option during the *period of insurance*, it will only apply:

- once you've paid us the additional premium or, if you're paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on your *Certificate of Insurance*.

Under this option you can choose 'Portable Contents – Categories' cover, Specified Portable Contents or both.

You can choose 'Portable Contents – Categories' cover for the categories listed below. You can choose the amount of cover you need – we call this your 'Category limit'. The Category limit shown on your *Certificate of Insurance* is the maximum we will pay in total for all items in that category which are lost or *damaged* in any one *incident*.

### What you're not covered for

We will not cover:

- items which would not be covered as *contents* such as business stock, motor vehicle keys, a motorcycle that is required by law to be registered, or a drone that falls outside the 'model aircraft or drone' definition (for example *you* cannot insure a drone under this policy if it cost more than \$1,500 when new). See **What do we mean by contents?** in Definitions;
- items that do not fit into a Portable Contents category such as:
  - cash or bullion; or
  - items that are not designed to be removed from *your property address* (such as individual works of art, televisions, vacuum cleaners, and lawn mowers).

See the **Category** list on the previous page;

- items in transit through post, commercial courier or any similar service;
- items permanently removed from *your property address* (other than *sporting equipment* when it is in locked storage at a sporting facility such as a gym or sports club);
- Specified Portable Contents items being taken to *your new permanent residence* by anyone other than *you* or *your family*, such as a removalist;
- items used by *you* or *your family* for earning any income;
- theft of an *unattended* watercraft in a public place;

Equipment used for earning an income may be insurable under a business insurance policy.

## What you're not covered for (continued...)

- theft of a *bicycle* or *personal mobility device* that is *unattended* in a public place, unless you secured it with a padlock chain, cable or D-lock to a fixed object, bicycle rack or a motor vehicle carry rack;
- theft of a *personal mobility device* battery when the device itself isn't stolen;
- loss of or *damage* to *bicycles* or *personal mobility devices* while they are being used for any competition including racing, pace-making, hill climb or time trials;
- damage to *personal mobility devices* caused by rainwater getting into the battery, motor or electrics;
- the wheels, tyres or rims of *bicycles* or *personal mobility devices* if they are *damaged* whilst being ridden;

- motorcycles;
- motorcycle apparel being worn whilst you are on *your motorcycle*; or

## Legal liability

In this legal liability section only, the following words and terms appear in italics and have these special meanings:

‘you’ or ‘your’ means the *insured*, and any *family* members who normally reside at the *property address*.

‘damage to property’ means physical loss, destruction or damage to physical property belonging to someone other than *you*, including the loss of its use.

‘personal injury’ means physical, mental or psychological harm including disease or disability, suffered by someone other than *you*, and/or death.

‘occurrence’ means an event, including continuous or repeated exposure to substantially the same general conditions which results in *personal injury* or *damage to property*. We regard all *personal injury* or *damage to property* arising from one original source or cause as arising from one *occurrence*.

We’ll cover your legal liability anywhere in the world including at the *property address* for:

- *personal injury*; and
- *damage to property*,

arising from an *occurrence* during the *period of insurance*.

For example, *you* may be found liable to pay compensation if *you* have an accident while riding *your bicycle* and *you* injure someone or when a guest falls over *your child’s tricycle* and is injured when visiting *your home*.

## The cover

### The most we'll pay

The most we'll pay for your legal liability arising from any one occurrence or series of related occurrences is \$30 million. This includes GST and any legal costs of investigating, defending or settling the claim that we first approve.

**Note:** We have the right to appoint our lawyers to represent you. See **Claims administration, going to court, recovery action and legal liability claims**.

No excess applies for legal liability claims.

If you're also claiming for damage to your contents or Portable Contents as a result of the same event, then you will still need to pay an excess for that claim.

# General Exclusions

## Intentional, reckless or fraudulent acts

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by, or arises from or in connection with any intentional, reckless or fraudulent acts or omissions by:

## Business activities at the property address

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by or arises from any business or income earning activities being conducted at the *property address*. This exclusion does not apply if the activity is just the use of an office taking up less than 20% of *your home*.

Doing office work in a home office, including working from home for *your employer* is not considered to be a business or income earning activity.

## Reasonable actions and precautions

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, to the extent that it is caused by or arises from *you* or *your family*:

- not taking reasonable care to protect and maintain the insured property;

If you are a **renter**, owner of the property means the landlord. If you are a **strata lot owner**, owner of the property means the strata body corporate or equivalent.

as soon as is reasonable after *you* become aware of it, or a reasonable person in the circumstances would have become aware of it;

- *your* failure to fix damage to *your* property, or report *damage* to the owner of the property, that existed prior to the *incident* or *occurrence* as soon as is reasonable after *you* become aware of the *damage*, or a reasonable person in the circumstances would have become aware of it; or
- *your* failure to report to the owner of the property if *your home* is not structurally sound, watertight, secure, well maintained and in a good state of repair, as soon as is reasonable after *you* become aware of the issue, or a reasonable person in the circumstances would have become aware of it.

## Condition of your home (continued...)

However, this **Condition of your home** exclusion applies only to the extent that the relevant claim or loss, *damage*, injury or death, cost or legal liability is caused by, arises from or is made worse by one or more of the above circumstances, and you knew or a reasonable person in the circumstances would have known that the relevant condition of the home may cause, give rise to or make worse the claim or loss, *damage*, injury or death, cost or legal liability and you did not report it to the owner of the property and a reasonable person in the circumstances would have reported it to the owner of the property.

There is no cover under any section of your policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from renovations, alterations, additions or repairs undertaken or authorised by you, where you were aware or a reasonable person in the circumstances would have been aware that the work did not comply with building laws or regulations and in addition:

### Loss or damage indirectly related to your claim

This policy only covers claims, losses and costs directly related to *damage* from an Insured Event (such as the costs of repair or replacement) unless additional cover is specifically stated. Any other claims, losses and costs that are not directly related to *damage* from an Insured Event are not covered, such as but not limited to:

- additional travel costs because *your home* is *unliveable* due to an *incident*;
- if you are a **strata lot owner**, any decrease in the value of *your strata lot*, similar strata community title lot or *your share* in relation to company title;
- any diminished value of *your property* after it's been repaired;
- any intangible losses including intellectual or sentimental value;
- the cost of hiring a replacement machine or appliance;
- loss of income, loss of profits or costs arising from any business interruption;

## Other loss or damage (continued...)

- mechanical, electronic or electrical breakdown other than under the Insured Event **Burnout of electric motors**, however, we will cover resultant *damage* to the extent it's covered under the Standard Feature **Food spoilage** or the Insured Event **Fire**;

For example, we will cover *damage* caused by fire spreading from an electrical fault.

- insects, vermin or rodents, however, we will cover resultant *damage* to the extent it's covered under the Insured Events **Fire** or **Escape of water or other liquid**;

For example, we will cover *damage* caused by fire due to a rat chewing through an electrical wire.

- roots of trees, plants or shrubs, however, we will cover resultant *damage* to the extent it's covered under the Insured Event **Escape of water or other liquid**;

For example, we will cover *damage* due to water escaping from pipes *damaged* by tree roots.

- a process of cleaning by you or your family:

- fees payable in relation to:
  - repairing any part of *your home* where *you* were aware or a reasonable person in the circumstances would have been aware that they were illegally constructed. There is no cover under any section of *your policy* for any:

## General Exclusions

### Sanctions limitation and exclusion

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose *us* to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

### Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is unlawful for *us* to do so.

### Multiple causes

Where loss, *damage*, injury or death has two or more causes and at least one of those causes is excluded by this policy, we will not provide any cover, pay any claim or provide any benefit under this policy.

# Claims

This section explains *our* claims process. For examples of how we pay claims under this policy, read *our* Contents Insurance Additional Information Guide at [chu.com.au/important-documents](http://chu.com.au/important-documents) or call **1300 464 820** for a copy at no charge by *us*.

We handle many contents insurance claims every day. We know that some of *our* customers face difficult circumstances when making a claim on their contents insurance policy. In some cases, *your* circumstances might prevent *you* from strictly complying with policy terms and conditions. For example, if *you* are badly injured in an *incident* that also results in a claim under this policy, then *you* may not be able to provide the assistance we normally need to process *your* claim. If this applies to *you*, then *you* or *your* family should speak to *us* about *your* situation. We will consider *your* situation and see how we can help *you*.

If relevant, please see *our* Financial Hardship and/ or Family and Domestic Violence Customer Support policies available at [chu.com.au/important-documents](http://chu.com.au/important-documents)

*You* can ask *us* if *your* policy covers a particular loss before *you* actually make a claim.

## What you must do after an incident

As soon as reasonably possible after an *incident* *you* must:

- take reasonable steps to:
  - prevent further loss or *damage* to *your* property and keep it secure;
  - get the full name and address of each person involved; and
- report the *incident* to police if something was lost, stolen or deliberately *damaged* and provide details of the report to *us*. We may need the police report number to process *your* claim or *our* recovery action if there is a third party who is liable for *your* loss.

As soon as *you* can after the *incident*, call *us* on **1300 464 820** to make *your* claim, or lodge it online at [claims.chu.com.au](http://claims.chu.com.au). If the situation requires urgent attention, please call *us*. We're available 24 hours, seven days a week.

If, as a result of an *incident*, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call *us* as soon as possible to see how *we* can assist *you*.

## What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an *incident* increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then *we* may refuse to pay *your* claim. To avoid *your* claim being delayed, reduced or refused *you* must not:

- admit fault or liability, except in a court or to police. Call *us* if *you* would like guidance;
- offer or negotiate to settle a claim against *you*;
- unnecessarily delay notifying *us* of the *incident*;
- enter into any agreement with anyone else which could limit the amount that could be recovered from them;
- agree not to seek compensation from any person liable to compensate *you*;
- authorise repairs without *our* consent. If *you* do, *we* may not cover them; or
- dispose of *damaged* items unless *we've* first agreed to this. This is so *we* can establish the cause or extent of the *damage* to quickly and accurately assess *your* claim. Call *us* on **1300 464 820** if *you* would like guidance including where there is hazardous material present.

See **Preventing our right of recovery**.

## Cooperating with us

*You* must provide reasonable assistance to *us*, including:

- being truthful and frank at all times;
- providing *us* with relevant information and documents *we* ask for, such as proof of purchase or repair quotes, if needed;
- telling *us* as soon as reasonably possible if *you've* been contacted by someone about an *incident*, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if *we* ask *you* to;
- appearing in court, giving evidence or providing a formal statement, if needed;
- making *your* property available for *us* to inspect or examine; and
- responding to *our* requests as soon as reasonably possible.

## Cooperating with us (continued...)

If you don't cooperate in any of these ways, it may delay your claim, or we may reduce or refuse to pay your claim.

At all times you must refrain from behaving in a way that's improper, hostile or threatening towards us, our representatives, our suppliers or third parties involved in an incident. Such behaviour may result in our not inviting you to renew your policy when it expires.

## Contribution and other insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

## Salvage

If we pay a claim by replacing or paying to replace any items or materials, we're entitled to obtain and retain any items or materials salvaged or recovered. We may sell the items or materials and keep the proceeds. If you ask us, we may agree to sell the items or materials to you, provided you agree to pay the fair market value. This is the price we could get if we sold the items or materials to someone else who is willing and able to buy them. If there is no market for the items or materials, then we will base the amount on enquiries made to appropriately experienced or qualified third party professionals.

## What happens to your contents sum(s) insured after a partial loss?

Following payment of a claim, other than for a total loss claim, your sum(s) insured will remain unchanged unless you request otherwise.

## What happens after a total loss?

Cover ends when *your* claim has been accepted. However, *we'll* still pay for the following Standard Features if they apply to *your* cover, they are directly connected to the *total loss* and they continue to be relevant:

- **Temporary accommodation costs**
- **Environmental upgrade**
- **Damage to common property causing extraordinary payments or special levy**
- **Administrative fund contributions**

## Specified Contents and Specified Portable Contents

Cover ends for the item when *your* claim has been accepted.

## Portable Contents – Categories

Cover ends for the category when *your* claim has been accepted and *we* pay the full category limit to repair or replace the item(s).

If *you* want to insure any replacement items or reinstate a category limit, then *you* will need to ask *us*. If *we* agree and *you* pay the additional premium, it will be shown on *your Certificate of Insurance*.

## Your premium after a total loss

If *you* paid *your* premium annually there is no premium refund.

If *you* paid in instalments – *you* will still need to pay the total of any remaining premium instalments for the *period of insurance*. If *your* policy comes to an end, depending on how *we* settle *your* claim, *we* will either deduct the total of all remaining instalments from *your* claim settlement or *we* will ask *you* to pay the total to *us*.

The total premium is payable and non-refundable because *you* have received the benefit of the cover *we* provide under the policy.

## Lender's rights

If *we're* settling *your* claim by paying *you* (instead of paying *our* repairer or other service providers), and *you* have used all or part of *your* contents as security for a loan from a lender, *we* reserve the right to pay all or part of the payment to the lender.

The amount *we* pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to *you*); or
- the amount *we* have agreed to pay in settlement of the secured property.

A payment made to a lender will satisfy *our* obligation to *you* for the amount paid.

For more information about other interests in *your* policy, see **Interests in the policy**.

## Claim payments and GST

*We* pay claims inclusive of GST unless the owner of the property is a business which is, or needs to be, registered for GST. In that case, *we'll* reduce the amount *we* pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim *we* pay.

There may be other taxation implications affecting *you*, depending upon *your* own circumstances. *We* recommend *you* seek professional advice.

Unless *we* say otherwise, all amounts in *your* policy are inclusive of GST.

## Claims administration, going to court, recovery action and legal liability claims

Note: In some cases, QBE may take on management of a claim. *We'll* tell *you* if this is going to happen and, in this event, references to 'we', 'our' and 'us' in this section mean 'QBE'.

If *you* suffer loss or *damage* due to an *incident* for which someone else is responsible, *you* may have a legal right to recover some or all of the loss or *damage* from that person, including by taking legal action against them. When *we* pay a claim under *your* policy, *we* have the right to exercise *your* legal rights in *your* name against the person responsible for the loss or *damage*. *We'll* take full control of the administration, conduct or settlement of the recovery, including any legal defence.

# Claims administration, going to court, recovery action and legal liability claims (continued...)

When we do any of these things in *your* name, it will be at *our* expense, however *you'll* need to give *us* reasonable assistance. This may include following *our* directions in relation to the conduct of any legal proceedings even after a claim has been paid. *You* must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without *our* permission.

When we pay a claim and some of *your* loss isn't covered by *your* policy, we may offer to try to recover that loss for *you* when we take any steps to recover the covered loss. We can only do so if *you* agree to give *us* documents and statements that support *your* loss and agree with *us* on how *we'll* handle that recovery. *You* may also need to contribute to the associated costs if, to recover the loss for *you*, we need to take additional steps that *we* wouldn't otherwise need to take.

If we successfully recover more than we paid for *your* claim under *your* policy, we will first keep the amount *we* paid for *your* claim and the amounts *we* paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, *we* will pay *you* the remainder to compensate *you* for loss that was not insured. Finally, *we* will keep any remaining amounts.

If *you've* received a benefit under *your* policy that *you* were not entitled to, *we* reserve the right to recover from *you* the amount *we* have paid. If *we* decline a claim for fraud, *we* reserve the right to recover any amounts *we* paid to *you* under the policy as well as *our* reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we cover *you* for a legal liability claim, *we* may:

- arrange for a lawyer to represent *you* or *we* may act on *your* behalf;
- attempt to settle the claim; and/or
- defend the claim.

*We* will decide whether to defend or settle the claim and how much to pay to settle the claim.

## Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, damage or liability covered by *your* policy that *you* won't hold them responsible then, to the extent *we've* been prejudiced by this act, *we* won't cover *you* for that loss, damage or liability.

## Providing proof of ownership and value

In some cases we will ask *you* for proof that *you* owned the items *you're* claiming for and for documents or other information to assist *us* in assessing their value. Whether we ask for proof and, if we do, the types of documents we ask for, may depend on the situation. So that *your* claim can be assessed, make sure *you* keep things like:

- receipts or tax invoices;
- credit card or bank statements;
- guarantee or warranty certificates;
- valuation certificates for *jewellery, collections and artworks*;
- photographs or video film of the item(s) in *your home* or being worn by *you*.

If, however, *your* proof of ownership was destroyed in a fire, we may accept other evidence of ownership.

If, after reviewing all the evidence about *your* claim that has been provided to *us*, we're not satisfied that *you* actually owned the items, we may refuse to pay *your* claim.

## How we settle claims

We only pay once for loss or *damage* caused by the same event covered by this policy even if that loss or *damage* is covered under more than one section of the policy.

### How we settle claims for contents (excluding fixtures)

If a *damaged* item can be repaired, we'll normally pay *our* repairer the necessary and reasonable cost to repair *your* contents item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, we'll replace the item with a new one that's substantially the same where it's practical to do so.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

## Claims

### If you don't use our repairer, or we can't repair or replace the item

We will pay you the *reasonable* cost to repair or replace the lost, stolen or *damaged* contents to a condition substantially the same as, but not better than when new if, for example:

- *you* decide to replace those *contents* with items that are not substantially the same;
- *you* decide *you* do not want the *contents* repaired or replaced;
- it's not practical for *us* to repair or replace *your* *contents* due to the age, style, type, condition or nature of *your* *contents* or materials or skills needed for repairs are not readily and locally available; or
- *you* choose to go with a repairer of *your* choice.

If you don't want an item repaired we will not pay to replace it; we'll pay what it would have cost to repair it. See **How the amount we'll pay is determined if the item is repairable**, below.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

### How the amount we'll pay is determined if the item is repairable

To assess the necessary work required to repair *damaged* *contents* items we will, where possible, obtain a report or quote from *our* repairer. If you agree with this, we will then pay *you* the amount quoted by *our* repairer.

If *you're* not happy with the amount quoted by *our* repairer, or if *we're* unable to obtain a report or quote from *our* repairer, we'll ask *you* to provide *us* with a report or quote from a repairer of *your* choice for *us* to consider. We'll review this to ensure it covers the necessary work and is within market rates. To determine this, we'll consider the following:

- *our* repairer's report or quote (if *we* were able to obtain it);
- *our* own data and experience with similar repairs;
- third party cost estimation sources; and
- *your* circumstances, including the location and attributes of *your* *contents*.

Following *our* review, we'll do one of the following:

- If *we* believe *your* repairer's report or quote covers the necessary work and is within market rates, we'll pay *you* the amount quoted by them.

## How the amount we'll pay is determined if the item is repairable (continued...)

- If we believe *your* repairer's report or quote either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with you and/or them and seek agreement on the *report* or quote.
  - If we come to an agreement with *you* or *your* repairer, we'll pay *you* the amount agreed.
  - If we're still unable to agree with *you* on the amount we'll pay *you*, we'll attempt to obtain a quote or report from an alternative repairer we both agree on, and we'll review this together with *you* to arrive at a final quote. If we're able to come to an agreement, we'll pay *you* the amount quoted by them.
  - If we're unable to agree on an alternative repairer, we believe the alternative repairer's report or quote either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer *you* to our complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

## How the amount we'll pay is determined if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, we will pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim.

If an item is not readily available, we'll pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim for an equivalent item with similar specifications and functionality.

## How the amount we'll pay is determined if the item can't be replaced

If we can't repair the item, or it can't be replaced because of its antiquity or rarity, we'll pay the lesser of:

- the standard policy limit or, if it's a *Specified Contents* item or a *Specified Portable Contents* item, the specified limit noted on *your Certificate of Insurance*; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If your contents sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

## The most we'll pay

The most we'll pay in total for *your contents* is *your contents sum insured*, plus any Standard Features payable on top of the contents sum insured, less any applicable excesses.

The most we'll pay in total for *your Portable Contents* is *your Portable Contents sum insured*.

There are limits on what we'll pay for some individual items:

- the standard policy limit, where applicable (see **Contents with limits**);
- the specified item limit shown on *your Certificate of Insurance* for items you have listed as *Specified Contents*;
- the category limit shown on *your Certificate of Insurance* for Portable Contents – Categories; or
- the specified item sum insured shown on *your Certificate of Insurance* for items you have listed as *Specified Portable Contents*,

less any applicable excess(es).

We treat the following items differently when we pay *your claim*:

Item	What we pay
<b>Photographs and videos</b>	We'll pay for reproducing videos and hard copy photographs you have purchased from, or had produced by, a professional photographic business if the necessary electronic data is available. We do not pay to reconstruct any circumstances or conditions.
<b>Sets or pairs</b>	<p>If we can't repair an item which forms part of a <i>set or pair</i> or it can't be replaced because:</p> <ul style="list-style-type: none"><li>• we're unable to reasonably match it; or</li><li>• the functionality of the <i>set or pair</i> is lost (e.g. hearing aids/sporting equipment)</li></ul> <p>you can choose to either:</p> <ul style="list-style-type: none"><li>• surrender the remaining item(s) to us, in which case we'll pay the replacement value of the <i>set or pair</i>, up to any applicable limit; or</li></ul>

Your contents sum insured may be increased through the application of the **Contents sum insured adjustment feature**.

If you have not specified an item that is worth more than the standard policy limit, to see how we will apply any applicable excess(es) see our Contents Insurance Additional Information Guide at [chu.com.au/important-documents](http://chu.com.au/important-documents) or call us on 1300 464 820 for a copy at no charge by us.

Item	What we pay
<b>Sets or pairs</b> (continued...)	<ul style="list-style-type: none"> <li>keep the remaining item(s), in which case we'll pay the replacement value of the lost or <i>damaged</i> item.</li> </ul> <p>We don't allow for any special value the item may have as forming part of a <i>set or pair</i>, or for any reduction in value of the remaining part(s).</p>

## How we settle claims for fixtures

We'll normally pay *our supplier* the necessary and *reasonable cost* to repair or replace the *damaged fixtures* to a condition substantially the same as, but not better than, when new.

### If you don't use our supplier

We will pay *you* the *reasonable cost* to repair or replace the *damaged parts of your fixtures* to a condition substantially the same as but not better than when new if, for example:

- it's not practical for *us* to repair or replace *your fixtures* due to the age, policy limit, inadequate sum insured, construction or condition of *your fixtures* or if materials needed for repairs are not readily available; or
- you* choose to go with a supplier (which includes a repairer or builder) of *your choice*.

To assess the cost of the necessary work required to repair or replace the *damaged parts of your fixtures* we will, where possible, obtain a *scope of works* and a quote from *our supplier*. If *you* agree with this, we will then pay *you* the amount quoted by *our supplier*.

If *you're* not happy with the amount quoted by *our supplier*, or if *we're* unable to obtain a *scope of works* from *our supplier*, we'll ask *you* to provide *us* with a fully itemised *scope of works* and quote from a supplier of *your choice* for *us* to consider. We'll review these to ensure they cover the necessary work and are within market rates. To determine this, we'll consider the following:

- our supplier's scope of works* and quote (if *we* were able to obtain it);
- our own data and experience* with similar repairs or replacement;
- third party cost estimation sources*; and
- your circumstances*, including the location and attributes of *your fixtures*.

Following *our review*, we'll do one of the following:

- If *we believe* *your supplier's scope of works* and quote cover the necessary work and are within market rates, we'll pay *you* the amount quoted by them.

Continued next page...

## Claims

### If you don't use our supplier (continued...)

- If we believe *your supplier's scope of works* either omits or overstates aspects of the work required or their quote is significantly above market rates, *we'll* discuss this with *you* and/or them and seek agreement on the *scope of works* and quote.
  - If we come to an agreement with *you* or *your supplier*, *we'll* pay *you* the amount agreed.
  - If we're still unable to agree with *you* on the amount *we'll* pay *you*, *we'll* attempt to obtain a *scope of works*, quote or report (as required) from an alternative supplier we both agree on, and *we'll* review these together with *you* to arrive at a final *scope of works* and quote. If we're able to come to an agreement, *we'll* pay *you* the amount quoted by them.
  - If we're unable to agree on an alternative supplier, we believe the alternative supplier's *scope of work* either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, *we'll* refer *you* to our complaints process.

Whether we arrange the repairs or replacement or pay *you* the cost to complete the repairs or replacement, *we'll* also pay the necessary and *reasonable costs* as part of *your contents sum insured*:

- for demolition;
- to remove debris from *your property address*; and
- to comply with current building codes and statutory requirements.

We won't pay for any undamaged parts of *your fixtures*, even to restore those undamaged parts to achieve a uniform appearance, other than to the extent set out in the table below:

<b>Damage to internal flooring</b>	<p>We'll pay to repair or replace up to an existing change or join in the carpet, linoleum, floating floor or other fixed floor covering, or to an archway, doorway or similar opening, whichever is closest to the <i>damage</i>.</p> <p>We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide.</p> <p>We won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.</p>	<p>This is a common width of a doorway.</p>
<b>Damage to internal walls</b>	<p>We'll pay to repair or replace the <i>damaged wall(s)</i>. We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.</p>	

---

<b>Damage to internal fixtures/fittings</b>	<i>We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the <i>damaged</i> part.</i>
---	---

---

### Matching materials (applicable to strata lot owners only)

If part of *your home* is *damaged* by an Insured Event and *we* pay *your* claim, *we'll* match existing materials if they're commercially available in Australia when we repair or replace the *damaged* property.

If not, *we'll* use the nearest equivalent materials that *we* can source locally. In this case, if the *damage* is inside *your home*, *we* will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials *we've* used. *We'll* consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If *you're* not satisfied with the nearest equivalent materials *we* source, *we* will pay *you* what it would have cost to repair or replace with these materials.

If any replacement of undamaged property under this section needs the approval of a *strata body corporate*, then *we* only pay for the replacement (or pay *you* what the replacement costs) if *you* get that approval.

### The most *we'll* pay

The most *we'll* pay is *your* contents sum insured, plus any Standard Features payable on top of the contents sum insured, less any applicable excesses.

## Excesses

In most cases, *you'll* need to contribute an amount towards the cost of any claims that are accepted. Your contribution may be made up of one or more of the following excess types. There may be other excesses that apply in special circumstances. The excess types and amounts that apply to *your* policy will be shown on *your* *Certificate of Insurance*. ## How we collect the excess

When an excess applies to *your* claim, *we'll* let *you* know when and how to pay the excess as this will depend on how *your* claim is settled. For example:

- If *we* repair *your* property, *we'll* normally ask *you* to pay the excess to the repairer or supplier before they start the work.
- If *we* replace *your* property, *we'll* normally ask *you* to pay the excess to the supplier of the replacement item.
- In some instances, *we'll* ask *you* to pay *your* excess to *us* such as where a supplier is not able to accept an excess payment.
- If *we* pay *you* the *reasonable* cost to repair or replace *your* property, *we* will deduct the excess from the amount *we* pay *you*.

Pay *your* excess as soon as practicable, or call *us* should circumstances prevent *you* from paying *your* excess.

# Paying, renewing and cancelling

## Paying your premium

*Your premium is the cost of your policy. It is the amount we set by taking into account things like the chance of you making a claim under your policy, the options you've chosen as well as other factors including our costs of doing business. Your premium also includes GST and other applicable government fees, duties and charges.*

### **Other costs, fees and charges**

*We charge an underwriting agency fee for each policy issued or renewed. The underwriting agency fee will be noted on your Certificate of Insurance. For further details of the underwriting agency fee, please refer to our Financial Services Guide at [chu.com.au/resource/financial-services-guide/](http://chu.com.au/resource/financial-services-guide/)*

### **Commission**

*We may receive a commission payment from QBE when the policy is issued and renewed. For details of the relevant commission paid, please refer to our Financial Services Guide at [chu.com.au/resource/financial-services-guide/](http://chu.com.au/resource/financial-services-guide/)*

*We'll let you know how much premium you need to pay us, how to pay it and when. You must pay us your premium on time to stay covered. For more information about how we set your premium, read our Contents Insurance Additional Information Guide at [chu.com.au/important-documents](http://chu.com.au/important-documents) or call us for a copy at no charge by us.*

*We offer you several ways to pay your premium, including by direct debit which is explained below.*

## Paying, renewing and cancelling

### Paying by direct debit

*You can choose to pay your premium in instalments by direct debit if the option is available in accordance with our standard rules and processes.*

*If you choose to pay by direct debit, you authorise us to debit your nominated account for the agreed premium. If the scheduled debit date shown on your Certificate of Insurance is a NSW public holiday or bank holiday, we'll debit your account on the next business day. We'll give you at least 14 days' notice if we change the way the direct debit of your policy works.*

*You need to make sure your nominated account details are correct and up to date. This includes advising us of the expiry date of a payment card or a change to the payment method. If your nominated account details change you must tell us at least seven days before the next instalment is due to allow us to process the change in time.*

Check with your financial institution whether your account allows direct debits.

*You need to have enough funds in your nominated account to allow our scheduled debit. If you don't, you'll be responsible for any fee or interest charged by your financial institution. You can also choose to stop your direct debit by contacting your financial institution.*

### Important – what happens if your direct debit fails

*If you've chosen to pay your premium by direct debit instalments and an instalment remains unpaid for one month or more, we may cancel your policy and refuse to pay a claim.*

### Renewing your policy

*If we invite you to renew your policy, we'll send you a renewal Certificate of Insurance. If you make any changes to your policy after we send you our renewal invitation, and we have agreed to continue to insure you, we'll send you an updated renewal invitation. You'll need to pay us any additional premium to ensure your cover is not affected.*

#### If you pay your premium by direct debit

*If you pay your premium by direct debit and we invite you to renew your policy, we'll continue to debit your premium payments in installments.*

*If you don't want to renew, you must tell us at least seven days before your policy's end date so that we can arrange for the direct debit to stop in time.*

## Adjustment of premium on renewal

If you make any changes to your policy after we send you our renewal invitation, and we have agreed to continue to insure you, we'll send you an updated renewal invitation. You'll need to pay us any additional premium to ensure your cover is not affected.

A claim on your policy may affect your renewal premium.

If you have a claim, contact us as soon as you can after the *incident* - see **What you must do after an incident**. To avoid your claim being delayed, reduced or refused you must not unnecessarily delay notifying us of the *incident* – see **What you must not do after an incident**. If you were in difficult circumstances that prevented you from telling us about the claim, let us know.

If we send you a renewal invitation and the premium doesn't take into account a claim on your policy, you agree to pay us any additional premium we would have charged if we had known about that claim.

If you tell us about the claim before your renewal takes effect and we agree to continue to insure you, we may apply specific conditions to your policy (including applying an Imposed Excess) and/or recalculate your renewal premium and send you an updated renewal invitation.

If your policy has already renewed, we may ask you for an additional premium. If you're paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If you've already paid your renewal premium in full, you'll need to pay us any additional premium to ensure your cover is not affected. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, we may:

- deduct the outstanding premium amount from a claim payment; or
- cancel your policy (see **Cancelling your policy**).

If it was reasonable in the circumstances for you to be unaware that you had a claim until after we issued your renewal invitation, we will not ask you to pay the additional premium for that renewal period however the claim may affect your future renewal premiums and/or future policy conditions (including the application of an Imposed Excess).

Please note we may have other rights under this policy or as permitted by law, depending on the circumstances.

## Cancelling your policy

*You can cancel your policy at any time by telling us.*

*We can cancel your policy as permitted by law, for example, if you do not pay us your premium or if you told us something that you knew to be incorrect or untrue during your application for cover.*

*We can also cancel your policy if your circumstances change and no longer fall within our underwriting rules. See **Tell us when these things change**.*

*If you've paid your premium in advance and your policy is cancelled, we'll refund you the proportion of the premium for the remaining period of insurance, less our underwriting agency fee noted on your Certificate of Insurance and any non-refundable government fees, duties or charges. But see **Cooling-off period** where you may be entitled to a full refund.*

*If you make a fraudulent claim on your policy, we can cancel it.*
